An introduction for those who need or desire to understand the fundamentals of business finance.

Overview

This interactive and focused course is designed to break the mystique behind the basics of business finance. Terminology used to communicate and manage finance is explained clearly, using workable practical examples.

As a result, this will allow attendees to understand the importance of financial matters and how it drives decision making.

Why Learn with 20/20?

As the largest independent provider of project management training in the UK, we are here to support and guide you through professional training. 20/20 care about your development as a project professional and will help you and your team achieve new qualifications. With a range of accredited and bespoke courses covering project management, project controls and project leadership, you can trust us to deliver results.
